

Curriculum Vitae of Stephan Krähenbühl, MD, PhD

Basic information

- Place and date of birth: Langnau i.E., November 29, 1953
- Current address: Fischerweg 19, 4058 Basel
- Phone: 079 272 2537
- e-mail: Stephan.krahenbuehl@usb.ch

Education and occupation

- 1968 - 1972: Gymnasium of Burgdorf, Berne, Switzerland
- 1972 - 1978: School of Pharmacy, University of Berne, Diploma 1978
- October 1978 - October 1980: Ph.D. thesis in Pharmaceutical Sciences in the Central Chemistry Laboratory, University Hospital of Berne (Prof. C. Bachmann/Prof. J.P. Colombo)
- 1979 - 1985: School of Medicine, University of Berne, Diploma 1985
- 1985: M.D. at the Institute of Clinical Pharmacology of the University of Berne (Prof. J. Reichen)
- January 1986: ECFMG, Berne
- 1981 - 1985: Head of the Hospital Pharmacy, Bezirksspital Niederbipp, Berne
- 1984 - 1989: Head of the Hospital Pharmacy, Bezirksspital Langnau, Berne
- January 1986 - December 1986: Internship, Department of Internal Medicine, Bezirksspital Langnau, Berne (H.R. Hunziker, M.D.)
- January 1987 - February 1989: Fellow, Institute of Clinical Pharmacology, University of Berne (Prof. J. Reichen/Prof. R. Preisig)
- March 1989 - March 1991: Fellow und Senior Fellow, Department for Clinical Pharmacology, Case Western Reserve University, Cleveland, Ohio 44106, USA (Prof. E.P. Brass/Prof. C.L. Hoppel)
- April 1991 - March 1993: Resident, Department of Internal Medicine, Inselspital, Berne (Prof. H. Studer and Prof. P.W. Straub)
- April 1993 - March 1997: Senior Physician, Division of Clinical Pharmacology and Toxicology, Department of Internal Medicine, University Hospital, Zürich (Prof. P. Meier-Abt)
- October 1997 – December 1999: 1st Senior Physician, Clinical Pharmacology, University of Berne (Prof. J. Reichen and Prof. B.H. Lauterburg). Training in Clinical Pharmacology and in Hepatology
- October 1997 – December 1999: Senior Physician, Department of Internal Medicine, General Internal Medicine, Inselspital, Berne (Prof. W. Straub, Prof. F. Frey)
- January 2000 – June 2021: Head of the Division of Clinical Pharmacology & Toxicology at the University Hospital of Basel and of the Division of Clinical Pharmacology at the Department of Pharmaceutical Sciences (DPhS) of the University of Basel
- January 2002 – June 2002: Interimistic Head of Clinic B (Internal Medicine) of the University Hospital of Basel
- January 2003 – June 2021: Attending Chief Physician at the Clinics of Internal Medicine of the University Hospital of Basel
- January 2002 – today: President of the Medical Experts Committee (MEC) of the Swiss Drug Regulatory Authority (Swissmedic)
- March 2022 – today: Work part time (30%) in private practice PinMed in Wallisellen/Switzerland (internal medicine and clinical pharmacology)

- July 2023 – today: Work part time (30%) in Epatocentro Ticinese in Lugano/Switzerland (hepatology)

Professional Training

- April 1978: Swiss Federal Diploma in Pharmacy (University of Berne)
- November 1985: Swiss Medical Diploma (University of Berne)
- April 1993: Specialist for Internal Medicine (FMH)
- May 1994: Specialist for Clinical Pharmacology (FMH)
- October 1997: FAMH Title in Clinical Chemistry
- April 1997-December 1999: Training in Hepatology (there is no FMH title in Hepatology for non-gastroenterologists)

Scientific Training and Awards

- November 1981: PhD in Pharmaceutical Sciences (University of Berne), Thesis: "Entwicklung eines neuen Enzymassays für die N-Acetylglutamat-Synthetase: Bestimmung der Enzymaktivität in Geweben von Ratte und Mensch sowie Untersuchung der kinetischen Eigenschaften von menschlichem, aufgereinigtem Enzym."
- December 1985: MD (University of Berne), Thesis: "Defective bile acid transport in an animal model of defective debrisoquine hydroxylation."
- May 1988: Young Investigator Award of the American Gastroenterology Association (AGA) for: „Effect of secretin on bile formation in rats with cirrhosis of the liver: Structure-function relationship,,
- November 1993: Venia Legendi in the fields of Internal Medicine and Clinical Pharmacology (University of Zürich): "Alterations in mitochondrial function and morphology in chronic liver disease: pathogenesis and potential for therapeutic intervention."
- October 1996: Special award of the Swiss Society of Gastroenterology and Hepatology (SGGH) for: „Reduced antioxidative capacity in liver mitochondria from bile duct ligated rats,,
- October 1996: Special award of the Swiss Society of Gastroenterology and Hepatology (SGGH) for a poster presentation: „Der Benzoesäuremetabolismus ist ein Mass für die mitochondriale Funktion in cholestatischen Ratten,,
- November 1997: Research award of the Swiss Society for Research in Surgery for: „Benzoic acid metabolism reflects hepatic mitochondrial function in rats with long-term extrahepatic cholestasis.“
- June 1998: Research award of the Swiss Society of Surgery for: „Rapid normalization of hepatic glycogen metabolism in rats with long-term bile duct ligation after biliodigestive anastomosis“
- September 1999: Professor for Clinical Pharmacology and Internal Medicine, University of Berne
- January 2000: Structural professorship for Clinical Pharmacology/Toxicology and Internal Medicine, University of Basel
- June 2005: Research award of the Swiss Society of Cardiology for: „Kinetics and dynamics of furosemide in healthy volunteers after oral or sublingual administration“
- November 2006: Poster prize of the Swiss Society of Pharmacology and Toxicology for the work: „PGC-1α and MEF2 regulate the transcription of the organic cation and carnitine transporter OCTN2 in C2C12 cells“
- December 2008: Joint full professorship of the medical faculty and the faculty of natural sciences of the University of Basel

- October 2010: Annual price of the Swiss Society of Clinical Pharmacology and Therapeutics for the work: „Drug interactions with biotransformation and antiplatelet effect of clopidogrel in vitro” (published in Br J Pharmacol 2010;161:393-404)

Grants

Swiss National Science Foundation and other Foundations (competitive grants):

- March 1989 - February 1991: Grant of the Swiss National Science Foundation for a stay abroad 100'000 CHF
- January 1994 - December 1996: Swiss National Science Foundation (32-37280.93) 325'000 CHF
- February 1994: Foundation for Scientific Research at the University of Zürich 50'000 CHF
- January 1997 - March 2000: Swiss National Science Foundation (31-46792.96) 290'000 CHF
- January 1998 – December 2000: Swiss Research Foundation for Muscle Diseases 150'000 CHF
- April 2000 - March 2003: Swiss National Science Foundation (3100-059812.99/1) 225'000 CHF
- April 2002 – March 2003: Swiss Foundation for Aging 50'000 CHF
- April 2003 – March 2006: Swiss National Science Foundation (3100-059812.03/1) 200'000 CHF
- January 2004: Novartis Foundation 50'000 CHF
- April 2006 – March 2010: Swiss National Science Foundation (310000-112483/1) 300'000 CHF
- April 2010 – March 2014: Swiss National Science Foundation (31003A-132992/1) 397'000 CHF
- September 2010 – August 2013: ProDoc Swiss National Science Foundation 181'000 CHF
- April 2014 – December 2018: Swiss National Science Foundation (31003A_156270) 243'000 CHF
- April 2016 – March 2020: Swiss National Science Foundation (31003A_160206) 429'000 CHF (co-applicant, 200'000 CHF for my research group)

Industry and Associations:

- 2000 - 2020: Several grants from the Chemical and Pharmaceutical Industry (Astra-Zeneca, Braun, Novartis, Roche, RCC, Lonza) in total 2.5 Mio CHF for different research projects
- 2005: Important participation (initiation of the projects, pivotal input in the conducting of the projects) in the funding of two professorships in the Dept. of Pharmaceutical Sciences of the University of Basel (Novartis Chair in Mechanistic and Systemic Toxicology, Clinical Pharmacy & Pharmacoepidemiology). The value was approximately 3 Mio CHF.
- Since 2009: Main applicant for SCAHT (Swiss Center for Applied Human Toxicology) together with Prof. D. Hochstrasser of the University of Geneva. Yielded a total of approximately 35 Mio CHF for the years 2009-2021. This money was used for research, teaching and the toxicological information service. My research group was supported by approximately 2.5 Mio CHF 2009-2020.

Teaching

- January 87 - March 93: Lectures in Clinical Pharmacology for medical and pharmaceutical students at the University of Berne (1989/90 break due to a stay abroad)

- March 90 - March 91: Lectures and courses in Clinical Pharmacology for medical students at the Medical School of the Case Western Reserve University, Cleveland, Ohio, USA
- April 1993 - March 1997: Lectures in Clinical Pharmacology for medical, dental medicine and pharmaceutical students at the University of Zürich
- April 1994 - March 1997: Lectures in Hepatology for medical students at the University of Zürich
- April 1997- December 1999: Lectures in Clinical Pharmacology for medical and dental medicine students at the University of Berne
- April 1997 – December 1999: Group instructions for medical students (1st clinical year) at the University of Berne
- Since 2000: Lectures in Clinical Pharmacology for medical, dental medicine and pharmacy students at the University of Basel
- Since 2000: Lectures in basic and clinical toxicology for pharmacy students at the University of Basel
- Since 2000: Lectures in clinical nutrition for pharmacy students at the University of Basel
- Since 2000: Lectures in clinical nutrition at the Swiss Federal Technical Institute in Zurich
- 2011: Organization (together with Prof. A. Odermatt of the Dept. Pharmaceutical Sciences) of the new pregradual Master course „Toxicology“.

Supervision of Dissertations (PhD and MD theses)

Supervision of more than 40 dissertations at the Universities of Berne, Zurich and Basel.

Habilitations

- 2001: Dr. Christoph Meier, Medical Faculty, University of Basel
- 2003: Dr. Jörg Huwyler, Faculty of Natural Sciences, University of Basel
- 2005: Dr. Raymond Schlienger, Medical Faculty, University of Basel
- 2005: Dr. Christian Burri, Faculty of Natural Sciences, University of Basel
- 2005: Dr. Gabriele Weitz, Faculty of Natural Sciences, University of Basel
- 2006: Dr. Kurt Hersberger, Faculty of Natural Sciences, University of Basel
- 2009: Dr. Matthias Liechti, Medical Faculty, University of Basel
- 2011: Dr. Manuel Haschke, Medical Faculty, University of Basel
- 2016: Dr. Anne Leuppi-Taegtmeyer, Medical Faculty, University of Basel
- 2019: Dr. Jamal Bouitbir, Faculty of Natural Sciences, University of Basel
- 2021: Dr. Urs Duthaler, Faculty of Natural Sciences, University of Basel

Participation in Working Groups and Committees

- January 1994 - March 1996: President of the working group ‘medical subjects’ within the project „reformation of the studies in pharmacy“
- January 1995 - March 1997: Member of the Ethics Committee of the Department of Internal Medicine, University Hospital, Zürich
- October 1997 – December 1999: Member of the Consultation Committee in the field of clinical questions about nutrition, Inselspital, Berne
- January 1998 – December 1999: Member of the Ethics Committee, University of Berne, Medical School
- January 1999 – December 2001: External Advisor of the Swiss National Health Authorities (IKS), Berne
- Since January 2000: President of the Drug Surveillance Committee, University

- Hospital, Basel
- Since January 2002: President of the Medical Experts Committee (MEC) of the Swiss National Health Authorities (Swissmedic)
- January 2006: President of the succession committee for Prof. F. Bühler (pharmaceutical medicine at the University of Basel)
- 2006: Member of the election committee for a professorship in „Molecular and Systemic Toxicology“, Department of Pharmaceutical Sciences, University of Basel
- 2009: Member of the election committee for a professorship in „Clinical Pharmacy“, Department of Pharmaceutical Sciences, University of Basel
- 2009: Member of the election committee for a professorship in „Pharmaceutical Technology“, Department of Pharmaceutical Sciences, University of Basel
- 2010: Member of the election committee for a professorship in „Biopharmacy“, Department of Pharmaceutical Sciences, University of Basel
- 2010: President of the evaluation committee regarding the promotion of Prof. K. Vogt, Medical Faculty, University of Basel

Memberships in Academic and Professional Societies

- January 1994 - October 1998: Board member of the Working Group of the Swiss Association for the Study of the Liver (SASL)
- August 1996 – July 1999: Member of the Scientific Committee of the European Association for the Study of the Liver (EASL)
- May 1998 – April 2002: President of the Swiss Society of Clinical Pharmacology & Toxicology
- January 2001- December 2005: Member of the board of the Swiss Society of Pharmacology and Toxicology
- May 2002 – April 2005: Member of the board of the Swiss Society of Clinical Pharmacology & Toxicology
